PERMANENT Stick Foundation

PERMANENT is a cream foundation and concealer in one. It suits most skin types. Create the look of flawless skin by blending and lightly concealing blemishes and skin discoloration. The PERMANENT stick Foundation brightens, lightens and protects the complexion.

Beauty Advice : Apply PERMANENT foundation stick over a previously cleansed skin. Apply your Daily care cream, massaging the whole face and eyelids, awakening and brightening the complexion. PERMANENT foundation stick can be applied with the fingers or with a damp sponge. The damp make-up sponge generally gives a better coverage.
